

# Favor (feat. Lonnie Bereal & Esther Dean)

## Chris Brown

Girl relax, I got your back  
I've never seen you put in the air like that  
Nibble little bit, on your thigh  
I cuddle with it girl  
You remind me of my jeep, all night  
Let the neighbors hear you beep  
Girl when it's just you and me  
Imma put that ass to sleep Scratch my back  
Bite your neck  
Welcome to the world of having sex  
Pick you up  
Pin you down  
Then we gon' go another round  
Baby, oh  
And we can do this all night  
Take flight on cloud 9 Take you there  
Let me be your stairs  
Just put your legs in the air  
I want you to sit right there  
Imma be your chair  
And I'm gon' rock your body slowly  
Do it like I owe you a  
Favor like I owe ya  
Favor like I owe ya  
Favor like I owe ya  
And I'm gon' rock your body slowly  
Do it like I owe you a It's amazing how faded  
I done got tonight  
Baby I'm crazy, love making  
All the new spots that I've found  
Banging in the bed bum bum bum  
Don't hurt your head bum bum bum bum bum  
Can I just kiss it, right  
After I wear it out  
I want you to Scratch my back  
Bite your neck  
Welcome to the world of having sex  
Pick you up  
Pin you down

Then we gon' go another round  
Baby, oh  
And we can do this all night  
Take flight on cloud 9 Take you there  
Let me be your stairs  
Just put your legs in the air  
I want you to sit right there  
Imma be your chair  
And I'm gon' rock your body slowly  
Do it like I owe you a  
Favor like I owe ya  
Favor like I owe ya  
Favor like I owe ya  
And I'm gon' rock your body slowly  
Do it like I owe you a I want you to beg for it  
You feigning cause you miss me  
Open up your legs more and  
Let me in  
I want in  
Wrap your arms around just love me  
Wrap your legs around just love me Right there  
Like that, like that  
Whoa ohh Take you there  
Let me be your stairs  
Just put your legs in the air  
I want you to sit right there (I don't care)  
Imma be your chair  
And I'm gon' rock your body slowly (and I don't give a fuck yeah)  
Do it like I owe you a  
Favor like I owe ya  
Favor like I owe ya  
Favor like I owe ya  
And I'm gon' rock your body slowly (on the bed)  
Do it like I owe you a  
Do me a favor
