

Another World

One Direction

[Liam]

It's not me, It's not you

There's a reason

I'm just trying to read the signals I'm receiving

It's like a stone on fire can you feel it?

I don't know about you girl but I believe that[Niall]

Words will be just words

Until you bring them to life I'll lift you up, I'll never stop

You know I'll take you to another world

I'll build you up, I'll never stop

You know I'll take you to another world[Zayn]

Everyday in every way, ooh[Harry]

I'll lift you up, I'll never stop

You know I'll take you to another world[Zayn]

One for me, one for you

What'cha doing?

Girl the music sounds so good when you're moving

Let me take you higher, let me prove it

'Cause hey, hey pretty girl I believe it[Niall]

Words will be just words

Until you bring them to life I'll lift you up, I'll never stop

You know I'll take you to another world

I'll build you up, I'll never stop

You know I'll take you to another world[Zayn]

Everyday in every way, ooh I'll lift you up, I'll never stop

You know I'll take you to another world

Take you to another world

You know I'll take you to another world[Louis]

Baby let me find out your secret

Just let me in and let me show you that I keep it

Close to my heart jump in the deep end

Just let me in and let me show you what I mean and[Harry]

I'll lift you up, I'll never stop

You know I'll take you to another world

I'll build you up, I'll never stop

You know I'll take you to another world[Zayn]

Everyday in every way, ooh

(Everyday, in every way) I'll lift you up, I'll never stop

You know I'll take you to another world

Take you to another world
Oh yeah
You know I'll take you to another world[Liam]
I'll build you up
I'll never stop
You know I'll take you to another worldYeah, take you to another world[Zayn]
I'll lift you up, I'll never stop
