Be My Lover

Leroy

You wanna be my lover
I wanna be yours tooYou wanna be my lover
You wanna be my woman
You wanna be my girl
I wanna be yours tooYou're like a sweet taste in my mouth
You make my little world go round
You pick me up, girl, when I'm down
Yes, you make me feel like I walk above groundYou wanna be my lover
You wanna be my woman
You wanna be my girl
I wanna be yours tooWhen I'm wrong you make it right
I dream about you every night
I like the way that you turn me on
Yes, I'm like a baby in your armsYou're like a sweet taste in my mouth
You make my little world go round
You pick me up, girl, when I was down
Yeah, you make me feel like I was walkin' above groundYou wanna be my lover
You wanna be my woman
You wanna be my girl
I wanna be yours tooYou wanna be my lover
You wanna be my woman
You wanna be my girl
I wanna be yours too
