

Can't Believe It

Migos

I can't believe It
White girl got some ass
I wanna see it
Black girl got a ass
It ain't a secret
Baby turn around
I wanna see it, tryin' to see it, gotta see it
I wanna see that bubbleyum bum, badam bam badam
Bubbleyum bum, badam bam badam
Uh, I think I found one
'cause I got that fever,
Look Britney gotta herself around one,
Ass like Serena,
That's okay 'cause I love my stereotypes,
My girls in two's
That maximum exposure . know what I wanna do,
Telling all the girls,
All around the world,
My last name must be Robin
'cause I'm basking in these asses,
All thirty flavours keep calling,
My my my my vanilla Cinderella love when I tell her drop it,
A butt of . but I love my chocolate.
I can't believe It
White girl got some ass
I wanna see it
Black girl got a ass
It ain't a secret
Baby turn around
I wanna see it, tryin' to see it, gotta see it
I wanna see that bubbleyum bum, badam bam badam
Bubbleyum bum, badam bam badam
Bubbleyum bum, badam bam badam
Bubbleyum bum, badam bam badamShe got that ba-donkie donkie donk donkie
Thing so fat, thing so chunky,
Call me Michael Jackson, hi hi
'cause I love to play with monkies,
This the Miami thing, that's right
We down for anything that's right,

You do everything, that's right
Flo rida, Pitbull anything,
I'm off the chain a lang a lang lang,
Ustedes saben quien es quien
Mira salinga con toda esa .
Como tu sabes estoy loco.
Pero que bueno que era poco,
Mami mueve los coco,
I don't care where you're from
As long as you got that bubbleyum I can't believe It
White girl got some ass
I wanna see it
Black girl got a ass
It ain't a secret
Baby turn around
I wanna see it, tryin' to see it, gotta see it
I wanna see that bubbleyum bum, badam bam badam
Bubbleyum bum, badam bam badam
Bubbleyum bum, badam bam badam
Bubbleyum bum, badam bam badam Now turn left, turn right
Turn around you could tell what I like
She look good, she so bad
She pick it up, drop it down, look back.
Bubbleyum bum, badam bam badam
Bubbleyum bum, badam bam badam
Bubbleyum bum, badam bam badam
Bubbleyum bum, badam bam badam I can't believe It
White girl got some ass
I wanna see it, badam bam badam I can't believe It
White girl got some ass
I wanna see it, badam bam badam I can't believe It
White girl got some ass
I wanna see it, badam bam badam I can't believe It
White girl got some ass
I wanna see it (I wanna see it), badam bam badam
