

The Noise We Make (One Day Live)

[Chris Tomlin](#)

This is the noise we make with our voice and with our hands
We come to celebrate all across this land, yeahThe joy that's in our hearts makes us want to dance for You
And join as the angels sing and worship as they doAnd we worship You alone with our songs and praise
One day before Your throne this is the noise we makeThis is the noise we make with our voice and with our
hands

We come to celebrate all across this land, yeahThe joy that's in our hearts makes us want to dance for You
And join as the angels sing and worship as they doAnd we worship You alone with our songs and praise
One day before Your throne this is the noise we makeYou are worthy worthy, You are worthy worthy

You are holy holy, You are holy holy

You are worthy worthy, You are worthy worthy

You are holy holy, You are holy holyAnd we worship You alone with our songs and praise
One day before Your throne this is the noise we makeAnd You are worthy worthy, You are worthy worthy

You are holy holy, You are holy holy

You are worthy worthy, You are worthy worthy

You are holy holy, You are holy holy

You are worthy worthy, You are worthy worthy

You are holy holy, You are holy holy, yeah
