

Count Me In

Dove Cameron

(Oh, Oh) Oh, oh, oh, oh
(Oh, Oh, oh, oh)
Oh, oh, oh, oh (Oh, oh)

If I'm the sun then you're the moon
If you're the words then I'm the tune
If you're the heart then I'm the beat
Somehow together we're complete, yeah

There are times my world is crumbling
And the rain is crashing down
But everywhere you are, the sun comes out

Even when you're gone I feel you close
Always be the one I love the most...
In my heart, on my mind, you are underneath my skin
And anywhere, anytime, that you need anything
Count me in
Oh, oh, oh, oh (Oh, oh)
Count me in

I don't need to say a word
Cause you know when I'm happy and when I'm hurt
Closes pages in a book
Cause you make me feel better with just one look

There are times my world is crumbling
And the rain is crashing down
But everywhere you are, the sun comes out

Even when you're gone I feel you close
Always be the one I love the most...
In my heart, on my mind, you are underneath my skin
And anywhere, anytime, that you need anything,
Count me in
Oh, oh, oh, oh (Oh, oh)
Count me in, yeah

Cause we're two halves of the same heart
That beats to our own drum

You're the shadow always by my side...
Sometimes you know me better than I know myself
And I wish that you were with me here tonight

Even when you're gone I feel you close
Always be the one I love the most (I love the most)
You're in my heart, on my mind, you are underneath my skin
And anywhere, anytime, that you need anything
Count me in
Oh, oh, oh, oh (Oh, oh)
Count me in, yeah, yeah, yeah, yeah

Oh, oh, oh, oh, count me in
Oh, oh, oh, oh, count me in
