

# Time In A Bottle

## Babyface

If I could save time in a bottle  
The first thing that I'd like to do  
Is to save every day 'til eternity passes away  
Just to spend them with you  
If I could make days last forever  
If words could make wishes come true  
I'd save every day like a treasure and then  
Again I would spend them with you  
But there never seems to be enough time  
To do the things you want to do once you find them  
I've looked around enough to know  
That you're the one I want to go through time with  
If I had a box just for wishes  
Dreams that had never come true  
The box would be empty except for the memory  
Of how they were answered by you  
But there never seems to be enough time  
To do the things you want to do once you find them  
I've looked around enough to know  
That you're the one I want to go through time with
