

# The Joint

## Jon Phonics

DJ can you play it as a favor for me?  
DJ can you play it as a favor for me?  
DJ can you play it as a favor for me  
You know the joint that she shortys keep talkin' about  
    DJ can you play it as a favor for me  
You know the joint that makes 'em get down, get down  
    Take those, new records off the shelf  
    'Cause I ain't dancin' by myself  
    And you're the only one who can help  
        Uh huh  
    Saw this hunnie come through the back door  
        And I need to get her out on the floor  
    So get up on to your feet by breakin' you off a drink  
        'Cause you know what I came here for  
        DJ can you play it as a favor for me?  
    You know the joint that she shortys keep talkin' about  
        DJ can you play it as a favor for me?  
    You know the joint that makes 'em get down, get down  
        DJ can you play it as a favor for me?  
    You know the joint that she shortys keep talkin' about  
        DJ can you play it as a favor for me?  
    You know the joint that makes 'em get down, get down  
        I love, rockin', rockin'  
        Hip hop with rock n' roll  
        Mix it with a lil' rhythm and soul  
    And you know that we'll be good to go  
        Uh huh  
    I think it's time for the place to get hot  
        So DJ make the beat drop  
        You better raise up your glass  
            And start shakin' yo  
  
        'Cause the party ain't about to stop  
        DJ can you play it as a favor for me?  
    You know the joint that she shortys keep talkin' about  
        DJ can you play it as a favor for me?  
    You know the joint that makes 'em get down, get down  
        DJ can you play it as a favor for me?  
    You know the joint that she shortys keep talkin' about

DJ can you play it as a favor for me?  
You know the joint that makes 'em get down, get down  
I'ma put another dime up in the jukebox  
Let the music play all night long  
Giving you a taste of southern comfort  
Wrapped up in a love song  
Record man can we do it again?  
Press rewind before the joint ends  
'Cause I'm about to pull a round up of seats  
And I won't be stand the heat, oh  
Burnin' up, burnin' up, the dance floor's burnin' up  
Burnin' up, burnin' up, the joint's like burnin' up  
Burnin' up, burnin' up, the dance floor's burnin' up  
Burnin' up, burnin' up, the joint's like burnin' up  
DJ can you play it as a favor for me?  
You know the joint that she shortys keep talkin' about  
DJ can you play it as a favor for me?  
You know the joint that makes 'em get down, get down  
DJ can you play it as a favor for me?  
You know the joint that she shortys keep talkin' about  
DJ can you play it as a favor for me?  
You know the joint that makes 'em get down, get down
