Here I Go Again

Lynn Anderson

Here I go again missing you yes here I go again feeling blue
You're gone and still my crazy heart keeps right on beatin' true
Yes here I go again missing youI woke up this morning and do an old familiar line
Said this is it today's the day I get you off my mind
But all my good intentions couldn't keep these tears inside
Now I'm right back in that same old boat to take that same old ride
Here I go again missing you...
Yes here I go again missing you (missing you)
