Black Summer Rain

Eric Clapton

Where is the sun?
The sun that used to shine on me
Where has it gone?
Or is it just a memory?
I looked through the window
Staring at the sky
Waiting for a moment
That always passed me by
Black summer rain
Black summer rain
Black summer rain is falling on me, girl
(Rain)
Where is the love?
The love I need to set me free
And how can I escape
This gloom that is swallowing me?
Black summer rain
Black summer rain
Black summer rain is falling on me, girl yea
(On me)
Black summer rain
Black summer rain
Black summer rain is falling on me, girl yea
(On me)
