

Moonlight Shadow

[Aselin Debison](#)

The last that ever she saw him
Carried away by a moonlight shadow
He passed on worried and warning
Carried away by a moonlight shadowLost in a riddle that Saturday night
Far away on the other side
He was caught in the middle of a desperate fight
And she couldn't find how to push throughThe trees that whisper in the evening
Carried away by a moonlight shadow
Sing a song of sorrow and grieving
Carried away by a moonlight shadowAll she saw was a silhouette of a gun
Far away on the other side
He was shot six times by a man on the run
And she couldn't find how to push throughI stay, I pray
See you in heaven far away
I stay, I pray
See you in heaven one dayFour a.m. in the morning
Carried away by a moonlight shadow
I watched your vision forming
Carried away by a moonlight shadowStars roll slowly in a silvery night
Far away on the other side
Will you come to terms with me this night
And she couldn't find how to push throughI stay, I pray
See you in heaven far away
I stay, I pray
See you in heaven one dayThe last that ever she saw him
Carried away by a moonlight shadow
He passed on worried and warning
Carried away by a moonlight shadowCaught in the middle of a hundred and five
The night was heavy and the air was alive
But she couldn't find how to push through
