

# Inner Child

Justin Guarini

Yeah  
Yeah  
Yeah You gave me touchin' and lovin'  
And took me to the moon  
You gave me feelin' and pleasure  
Then left too soon  
Oh baby, get ready  
I'm comin' after you, oh yeah 'Cause you make me feel  
'Cause you make me feel wild  
You touch my inner child  
You got me in the mood  
So come on, make your move  
And free me You make my wishes as much as  
Your kisses make me blue  
I am lost up in Heaven  
Don't know what to do  
Oh baby, get ready  
I'm comin' into you, oh yeah 'Cause you make me feel  
'Cause you make me feel wild  
You touch my inner child  
You got me in the mood  
So come on, make your move  
And free me Frees me  
Frees me  
Whoah, whoah, whoah, whoah  
Whoah, whoah, whoah, yeah If you're in love  
Come on let me hear you say, oh yeah  
'Oh yeah!'  
If you're in love  
Let me only all hear you say, hell yeah 'Hell yeah!'  
Well, if you're in love  
Come on Let me hear you say, whoah yeah  
'Hell yeah!'  
Free, ah, yeah 'Cause you make me feel wild  
You touch my inner child  
You got me in the mood  
So come on, make your move And touch my inner child  
You touch my inner child  
You touch my inner child

Child, child, yeah, yeah, yeahIt's alright, it's alright, it's alright  
It's alright, it's alright, it's alright
