One More Chance

Zebra

If I could only relive yesterday I think I'd try to do it right If I had one more chance to be with you I think it just might save my lifeChorus: Just one more chance And I will be your love forever One more chance, one more chance Just one more chance And I will be your love forever One more chance, one more chanceI'm caught it the same old world And I just can't get my head unwhirled And I'm looking for any old place to hideI took a journey down thru paradise I think I'd like to make it twice I took another journey yesterday I hope it just won't ruin my lifeChorus: Just one more chance And I will be your love forever One more chance, one more chance Just one more chance And I will be your love forever One more chance, One more chance (repeat twice)
