

# Pennywhore

## The Muffs

You're a maybe  
When you want someone  
A baby when you're not the one  
Oh baby you're just a pennywhore You cry big  
When you want some fun  
And lie, pig, for anyone  
Oh baby you're just a pennywhore You can do it so much better  
All your life a real homewrecker  
All your life a real homewrecker  
Coming out the door You're a maybe  
When you want someone  
A baby when you're not the one  
Oh baby you're just a pennywhore
