

# Near You (feat. Georgette Jones)

[Sammy Kershaw](#)

There's just one place for me, near you  
It's like heaven to be near you  
Times when we're apart  
And I can't face my heart  
Say you'll never stay  
More than just two lips away  
If my hours could be spent near you  
I'd be more than content, near you  
Make my life worth while  
By telling me that I'll spend the rest of my days near you  
Near you, near you  
Make my life worth while  
By telling me that I'll spend the rest of my days near you  
Spend the rest of my days near you
