

# These Boots Are Made For Walkin' (Radio Edit)

Jessica Simpson

Are you ready boots?

Start walking

Yee haw

Let's go

You keep saying you got something for me (uh)

Well officer I don't mind to say you do

Now your looking right where I thought you'd be looking

Legs come handy when laws in front of you

These boots are made for walking

And that's just what they'll do

One of these days these boots are gonna walk all over you

You believe you've stopped me for a reason (uh)

Now I'm pretending my bending's just for fun

You keep playing where I got you playing (yeah)

These double - D initials are work to run

These boots are made for walking

And that's just what they'll do

One of these days these boots are gonna walk all over you

I'm the girl with the good ol' boys who don't mean you no harm

Just got a way with Hazzard County charm

The aint no crime in having little fun

Swerve my stride

Bat my sexy eyes

Where my boots at (haha)

Strut ya stuff come on

Hey ya'll

Wanna come and see something (uh uh, uh uh)

Can't touch, can I get a hand clap for the way I work my back

Tick tock all around the clock drop it

Push ya tush, like that

Can I get a sooey

Can I get a yee haw

You keep thinking what you shouldn't be thinking  
Another two buttons down till you kissing ground  
I'ma gonna send you back home miss the crying  
But Uncle Jessie he sure is gonna be proud

These boots are made for walking  
And that's just what they'll do  
One of these days these boots are gonna walk all over you

These boots are made for walking  
And that's just what they'll do  
One of these days these boots are gonna walk all over you

Come on boots  
Stop  
Come on ladies

Hey ya'll  
Wanna come and see something (uh uh, uh uh)  
Can't touch, can get a hand clap for the way I work my back  
Tick tock all around the clock drop it  
Push ya tush, like that  
Can I get a soeey  
Can I get a yee haw
