Sun

Concrete Blonde

Sun part the dark and chase it gone
You're the sweet and sunny one
As bright as any star tonight
You smile like a beam of lightYou can, show me a ray, show me a ray
Show me a ray, show me a ray of sunJust until the morning comes
I'm the gray and cloudy one
Raining for so long, so long
Like a candle blowing in a stormBut you can, show me a ray, show me a ray
Show me a ray, show me a rayYou can, show me a ray, show me a ray
Show me a ray, show me a ray of sunJust until the morning comes, sun
Just until the morning comes, sun
