

# Wish You Were Here

## Candy Dulfer

Would have sent a souvenir, they took all my money  
It's pretty warm down here but it ain't sunny

And I'm having a hell of a time, my dear  
Wish you were here  
And I'm having a hell of a time, my dear  
Wish you were here

I tried to call you, I tried to call you  
Long distance operators that only stall you  
Besides the damn rates are so high, they just appall you

And I'm having a hell of a time, my dear  
Wish you were here  
I'm having a hell of a time, my dear  
Wish you were here

Started out a nice vacation  
Left the station right on time  
Now it's turned to near frustration  
I'm just a prisoner in time

Can't get a ticket to get me home, my dear  
They just don't have too many flights from twilight zone, dear  
So don't forget to feed my cats, Spot and Jerome, dear

And I'm having a hell of a time, my dear  
Wish you were here  
Having a hell of a time, my dear  
Wish you were here

Having a hell of a time, my dear  
Wish you were here

Seeing all the sights here, I'm getting lonely  
I'd show you all the film I took if they would only  
Let me go home dear, sincerely

I'm having a hell of a time, my dear  
Wish you were here

Having a hell of a time, my dear  
Wish you were here

Having a hell of a time, my dear  
Wish you were here  
Having a hell of a time, my dear  
Wish you were here

Having a hell of a time, my dear  
Wish you were here  
Having a hell of a time, my dear  
Wish you were here
