Life Goes On

Ja Rule

Yeah, this one goes out
To all my niggaz across the world
Goin' through that struggle
Feelin' that pain, we wit you my niggaz
But no matter what God has planned for us
Know this, life goes onI pour out the liquor for, ohh
I wish, I wish, I wish for, yeah
For all my niggaz that's dead and gone, ohh yeah
I'ma see you when I get there, life goes onI pour out the liquor for, ohh
I wish, I wish, I wish for, yeah
For all my niggaz that's dead and gone, ohh yeah
I'ma see you when I get there, life goes onThey say kill or be killed's the only way to live these days
So how come only my hood niggaz live this way
We put together the puzzle but still stuck in a maze
I put it all in perspective 'cause I'm comin' of age28 and I see more niggaz go to the grave
More mommas in pain, more murals wit names, ey
Sometimes you look to the Lord to blame
And pray everyday wishin' that things could change'Cause I'm just wishin' you was here my niggaz
Wish that you could be wit me to ball my niggaz
Send a sign I'm on call niggaz
Promise to pick me up if I fall my niggazThe way I wish y'all was still alive, I know
Through memories y'all still alive, and I know
Through my eyes in my mind you'll live 4 everI pour out the liquor for, ohh
I wish, I wish, I wish for, yeah
For all my niggaz that's dead and gone, ohh yeah
I'ma see you when I get there, life goes onI pour out the liquor for, ohh
I wish, I wish, I wish for, yeah
For all my niggaz that's dead and gone, ohh yeah
I'ma see you when I get there, life goes onI pour it out 4 my niggaz that's dead and gone
As 4 my niggaz in prison I throw it up 'cause I'm ridin' for 'em
Big Black and Lil Will them there my niggaz still
Mu Tah and Lil Itchy you know a nigga miss youTron and Lil Al, Bam Skeet and Younger Al
Tron and Lil Trap I wish y'all was still here
And I ain't a heard a word for more than 10 years
I feel that if I'd been there, he's still be hereBut I'ma hold it down and ain't gon' cry about it
'Cause I'ma holla atcha I'll see you in the next life
And I'll still be that same nigga
Still doin' thug thizzleWearin' the same ol' Dickies
Then we can drink the same Henny

'Cause back then that's how we did it
So how could I forget itMy three daughters and goals out the doors
I lost in the struggle
My homie and my oldest brotherI pour out the liquor for, ohh
I wish, I wish, I wish for, yeah
For all my niggaz that's dead and gone, ohh yeah
I'ma see you when I get there, life goes onI pour out the liquor for, ohh
I wish, I wish, I wish for, yeah
For all my niggaz that's dead and gone, ohh yeah
I'ma see you when I get there, life goes onWhat part of the game is this my nigga
Wish you was wit me in my 6 my nigga
While you was flippin' them bricks I figure
I been floodin' the streets wit hits my niggaYou told me give it my heart
I gave it my love
I gave it my life
But you was my bloodYou bringin' me pain dawg
But I'm on the grind
I'm tryin' to stay focused
I'm losin' my mindI'm missin' you dearly
I wish you was here dawg
Fuckin' these hoes wit me
But instead I'm in tearsBut when you passed it rained
And God's tears took away the fuckin' pain
So look man, ey, I can't cry no more
You died once and you can't die no more, no more
So they can't stop me now
The only way is if they pop me now, I'ma hold it downI pour out the liquor for, ohh
I wish, I wish, I wish for, yeah
For all my niggaz that's dead and gone, ohh yeah
I'ma see you when I get there, life goes onI pour out the liquor for, ohh
I wish, I wish, I wish for, yeah
For all my niggaz that's dead and gone, ohh yeah
I'ma see you when I get there, life goes onDamn, y'all niggaz got me
Feelin' this shit in here man
V- I miss you, it's aiight tho, life goes on
No matter what, life goes on, right?I wanna say to all my peoples
All my niggaz, all my family
