Clean

Natalie Grant

Verse 1
I feel shattered, You see whole
I feel broken but you see beautiful
And You're helping me to build
You're restoring me piece by pieceChorus
There's nothing too dirty that You can't make worthy
You wash me in mercy. I am clean.
(repeat)Verse 2
What was dead now lives again
My heart's beating, beating inside my chest
Oh, I'm coming alive with joy and destiny
'Cause You're restoring me piece by pieceChorus
There's nothing too dirty that You can't make worthy
You wash me in mercy. I am clean.
(repeat)Bridge
Washed in the blood of Your sacrifice
Your blood flowed red and made me white
my dirty rags are purified, I am cleanI am clean (repeat)You made me, You washed me clean
