

# Clean

**Natalie Grant**

Verse 1

I feel shattered, You see whole  
I feel broken but you see beautiful  
And You're helping me to build  
You're restoring me piece by piece  
Chorus  
There's nothing too dirty that You can't make worthy  
You wash me in mercy. I am clean.

(repeat) Verse 2

What was dead now lives again  
My heart's beating, beating inside my chest  
Oh, I'm coming alive with joy and destiny  
'Cause You're restoring me piece by piece  
Chorus  
There's nothing too dirty that You can't make worthy  
You wash me in mercy. I am clean.

(repeat) Bridge

Washed in the blood of Your sacrifice  
Your blood flowed red and made me white  
my dirty rags are purified, I am clean  
I am clean (repeat) You made me, You washed me clean
