

# Black Heart Today

[Amy Ray](#)

She brings me Spanish Clementine, I eat them by the waterside  
Throw the peels and taste the clean, how could I still feel so mean? Take this meanness out of me, take this  
meanness out of me

Take this meanness out of me, oh whoa, whoa, oh whoa

Whoa, oh whoa, whoa I got a black heart today, no amount of kindness'll

Turn it the other way, even the dogs are tired of me

Howling at the trees Take this meanness out of me, take this meanness out of me

Take this meanness out of me, oh whoa, whoa, oh whoa

Whoa, oh whoa, whoa I got a black heart today, ooh I got a black heart today

I got a black heart today, ooh I got a black heart today

I got a black heart today, ooh I got a black heart today I got a black heart today, ooh I got a black heart today

I got a black heart today, ooh I got a black heart today

I got a black heart today, ooh I got a black heart today Oh whoa, whoa, whoa, whoa, whoa, oh whoa, whoa
