Missing You

Backstreet Boys

Oh baby, I'm missing you
We used to love so strong
Tell me where do we go
Oh baby, I'm missing you
They said, ?I'd to forget but it sure ain't happen yet?
Been checkin' all the places that we used to go
Been lookin' for your face inside the crowd
I've been talkin' to the people what we used to know
Nobody wants to say where you're right now
And when I call your phone
Seems like you're never home
And you don't return my call, it tears me apart
This is breakin' up my heart
Oh baby, I'm missing you
We used to love so strong
Tell me where do we go
Oh baby, I'm missing you
They said, ?I'd to forget but it sure ain't happen yet?
I still have your pictures hung around my home
That's the only thing that is left of you with me
Girl what can I do to make you come back soon
Oh, this is someone new, can never go on without you
Girl I don't want to think about it

I can't sleep at night, I know that can't be right
Come back into my life
(Come back baby, come back)
Oh baby, I'm missing you
We used to love so strong
Tell me where do we go
Oh baby, I'm missing you
They said, ?I'd to forget but it sure ain't happen yet?
I know there's a change for you and I
And I believe there's no way our love could die
So no matter how long it takes, I'll wait for you
And what ever it takes I'll be there for you
I'll be there, I'll be there
Oh baby, I'm missing you
We used to love so strong

Tell me where do we go
Oh baby, I'm missing you
They said, ?I'd to forget but it sure ain't happen yet?
Oh baby, I'm missing you
We used to love so strong
Tell me where do we go
Oh baby, I'm missing you
They said, ?I'd to forget but it sure ain't happen yet?
