

Blue

The 69 Eyes

in you
deep blue
dancing ocean
deep like a thousand dreams
deep in your dreams if you love me
could you love me
could you love me more
if you love me
could you love me
like she did before
if you love me
could you love me
could you love me more
if you love me
could you love me
like she did before
feel blue
in you
dancing ocean
feel like a thousand dreams
feel in your own dreams if you love me
could you love me
could you love me more
if you love me
could you love me
like she did before
if you love could you love me
could you love me more
if you love me
could you love me
like she did before
in you
feel blue
dream on
like you if you love me
could you love me
could you love me more
if you love me
could you love me

like she did before
if you love me
could you love me
could you love me more
if you love me
could you love me
like she did before feel blue
in you
