

Marriage

Descendents

Do you know what I think of you?
Do you know what I feel is true?
Do you know what I think of her?
I know what she thinks of me, I'm sure
Don't know why it's so, but it's true!
So you know what I think about you
But do you know what you want me to do?
When you see me staring at you
Do you know what I want you to do?
I don't know why it's so, but it's true!
I don't want to have sex with you
I want to be your friend
I want to be with you
I want you to marry me
Now you know what I think about you
You know that my speed is you
I know I want you to be my wife
And be with me the rest of your life
Do you know what I think about you?
