The Cowboy Song

Gomez

One of these days,
One of these fine old days
I'm gonna be through
Keep on trucking now, smilingWaving your hand, goodbye
She's just fucking around now
Saying those things
That she doesn't really need to saySHe's got guns to her hip
He's a-cracking his whip
Yeah he's a cowboy.
When he sees her walk by
Got that look in her eye
She's so fine, she's so fine
He's a cowboy
Yeah!
