

# All Guns Blazing

## Judas Priest

Twistin' the strangle grip, won't give no mercy  
    Feelin' those tendons rip, torn up and mean  
Twistin' the strangle grip, won't give no mercy  
    Feelin' those tendons rip, torn up and mean  
Blastmaster racks the ground, bent on survival  
Full throttle hammers down, a deadly scream  
    All guns, all guns blazing  
    All guns, all guns blazing  
Forced into overdrive, drawn out of anger  
    All talons poison dipped impaling spike  
Heart pounding fever pitch blood pumping fury  
    Two fisted dynamo eager to strike

    All guns, all guns blazing  
    All guns, all guns blazing  
Cross cutting thundercharge, blade of destruction  
    Flame throwing hurricane, destroys the cage  
    Bone crushing alien, God of salvation  
Sad wings that Heaven sent, wipes out in rage  
    All guns, all guns blazing  
    All guns, all guns blazing  
    All guns, all guns blazing  
    All guns, all guns blazing
