

Let's Get Crazy

Hannah Montana

You ready?

Who!

Here we go! Life is just a party so come as you are
Dress it up or dress it down, don't forget your guitar (Yeah)

Just be courageous

This style's contagious

Everyone can rock out like a superstar Let's get crazy

Get up and dance

Take a swing

Do your thing

It's worth taking a chance

Let's get crazy

Just kick off your heels

Don't miss out, time to shout

Always keeping it real

Let's get crazy! (Crazy) Our songs, our style

Our hair, our smile

Our laughs, our heart

Our grace, our smarts You see me on the cover of a magazine, remember

Things are always different than the way that they seem

Here's an invitation, to every nation

Meet me on the dance floor and we'll make the scene Let's get crazy!

Get up and dance

Take a swing

Do your thing

It's worth taking a chance

Let's get crazy

Yeah just kick up your heels

Don't miss out, time to shout

Always keeping it real

Lets get crazy!

Crazy Our songs, our style

Our hair, our smile

Our laughs, our heart

Our grace, our smarts Let's get crazy!

Get up and dance

Take a swing

Do your thing

It's worth taking a chance

Let's get crazy!
Turn the music up loud
Now's the time to unwind
Lose yourself in the crowd
Let's get crazy! Yeah the fun's just begun
Come on dance everyone Here's an invitation, to every nation
Oh oh yeah, oh oh yeah
Crazy Take a swing, do your thing
If we're taking a chance
Let's get crazy!
Yeah just kick up your heels
Don't miss out, time to shout
Always keeping it real
Let's get crazy!
