

# Fuck You

## Overkill

Call us fearless, call us crazy  
Say what you want, say we're lazy  
Say we're just, the violent type  
Time has come y'know we're not too bright We don't care what you say  
Fuck you We don't care what you say  
Fuck you Tell your friends we're really sick  
Lie on your backs an' comin' in trick  
This you should know you're so cool  
Number one, nobody's fool We don't care what you say  
Fuck you We don't care what you say  
Fuck you We don't care what you say  
Fuck you We don't care what you say  
Fuck you Step on over baby, jump right in  
This is one game that everybody's in  
Don't care where you've been, don't care how you look  
All fire now, we're know how to cook We don't care what you say  
Fuck you We don't care what you say  
We don't care what you say  
We don't care what you say  
Fuck you [Incomprehensible]  
[Incomprehensible]  
Evil minds that plot destruction  
[Incomprehensible]  
[Incomprehensible]  
[Incomprehensible]  
Death and hatred to my kind  
[Incomprehensible] everyone's mind Oh fuck you, yeah, yeah, yeah [Incomprehensible]  
[Incomprehensible]  
[Incomprehensible]  
[Incomprehensible] We don't care what you say  
Fuck you We don't care what you say  
Fuck you We don't care what you say  
Fuck you We don't care what you say  
Fuck you, fuck you  
Fuck you, fuck you Fuck you
