Sitting On Top Of The World

Howlin' Wolf

One summer day, she went away
She gone and left me, she gone to stay
But now she gone and I can't worry
Because I'm sitting on top of the worldWorked all the summer, worked all the fall
Had to take Christmas, in my overall
But now she gone and I don't worry
Sitting on top of the worldGoing down to the freight yard, just to meet a freight train
I'm gonna leave this town, [Incomprehensible]
But now she gone and I don't worry
Sitting on top of the world
