High (Yahtzel Remix)

Peking Duk

All that you give
Is what you don't deliver
Stuck in a phase
Misguided by mistakes
Your addictive poison is dragging me down
Trying to swim out I'm stuck
You're watching me drownLying awake
The colors all fade
From the tears on my face
I've let you slip away
I can kiss whoever is wearing the crown
Time to get out, my love
Don't want you, 'cause nowI'm high and rising
Alive now I'm fine 'cause I let you go
I'm high and rising
Alive now I'm fine 'cause I let you goI'm fine 'cause I let you goI'm fine 'cause I let you goAll that you give
Is what you don't deliver
Stuck in a phase
Misguided by mistakes
Your addictive poison is dragging me down
Trying to swim out, I'm stuck
You're watching meLying awake
The colors all fade
From the tears on my face
I've let you slip away
I can kiss whoever is wearing the crown
Time to get out, my love
Don't want you, 'cause nowI'm high and rising
Alive now I'm fine 'cause I let you goI'm fine 'cause I let you go
I'm fine 'cause I let you goI'm high and rising
Alive now I'm fine 'cause I let you go
I'm high and rising
Alive now I'm fine 'cause I let you go
