

Dancing In The Dark

DJ Cammy

can we try again

To start a new a lovely story that will shine a ray of light upon our hearts that will bring back long lost glory

Of how it used to be

Baby you and me

Convinced we were each others destiny

My heart cries out to you, you must forget me

Ive been dancing in the dark

Ive been searching for a spark

The fires still burning

I believe we will make it through

If you stand buy me

We can weather rain or storm

We can keep each other warm

As long as thereâ€™s love

Every time I think of us

My eyes are filled with tears to think that

I gave into true temptation

With words thats like music to my ears

I hope its not too late

But ur still awake

Still ur in heaven

Baby

My heart cries out to you, you must forget me

Ive been dancing in the dark

Ive been searching for a spark

The fires still burning

I believe we will make it through

If you stand buy me

We can weather rain or storm

We can keep each other warm

As long as there's love

Mmmmmmmmmmmmmmmmmmmmmmmmmmm

Faith is not mine ,and if I could id unturn the hands of time

My heart cries out to you, you must forget me

Ive been dancing in the dark

Ive been searching for a spark I believe we will make it through

If you stand buy me

We can weather rain or storm

We can keep each other warm

As long as theres love

Forever in love, in love
