

Miracle (The Live Room)

Shinedown

Say it once
Tell me twice
Are you certain I'm alright
Just a sign
To remind me
Tomorrows worth the fight
Ever changing
The story line that keeps me alive So make a wish and say
Give me life
Give me love
Star lit angel from above
Not so low
Not so high
Keep it perfectly disguised
Ever changing
The story line that keeps me alive My Mona Lisas making me smile
Right before my eyes Take another look
Take a look around
Its you and me
Its here and now
As you sparkle in the sky
Ill catch you while I can
'Cause all we are
Is all I am
I just want you to see
What I've always believed
You are
The miracle in me Show me faith
Like you do
I'm amazed at how you move
Side to side
Front to back
You know how to make it last
Ever changing
The story line that keeps us alive My Mona Lisas making me smile
Right before my eyes Take another look
Take a look around
Its you and me
Its here and now

As you sparkle in the sky
Ill catch you while I can
'Cause all we are
Is all I am
I just want you to see
What I've always believed
You are
The miracle in me These are the moments
That you cant pass by
Lets turn the water to wine
One more time Take another look
Take a look around
Its you and me
Its here and now
As you sparkle in the sky
Ill catch you while I can
'Cause all we are
Is all I am
I just want you to see
What I've always believed
You are
The miracle in me
The miracle in me
Your the miracle in me
