

# Cowgirl In The Sand

## City and Colour

[Originally by Neil Young]Hello cowgirl in the sand

Is this place  
at your command  
Can I stay here  
for a while  
Can I see your  
sweet sweet smile  
Old enough now  
to change your name  
When so many love you  
is it the same?  
It's the woman in you  
that makes you want  
to play this game.  
Hello ruby in the dust  
Has your band  
begun to rust  
After all  
the sin we've had  
I thought we'd  
might turn back  
Old enough now  
to change your name  
When so many love you  
is it the same  
It's the woman in you  
that makes you want  
to play this game.  
Hello woman of my dreams  
This is not  
the way it seems  
Purple words  
on a grey background  
To be a woman  
and to be turned down  
Old enough now  
to change your name  
When so many love you  
is it the same

It's the woman in you  
that makes you want  
to play this game.
