Never Stop

Echo & the Bunnymen

Good God, you said
Is that the only thing you care about
Splitting up the money
And share it out
The cake's being eaten
Straight through the mouth
Poison Poised to come back in
Season For all the ones who lack
ReasonMeasure by measure, drop by drop
And pound for pound, we're taking stock
Of all the treasure still unlocked
The love you found must never stopThe king is dead
And long live the people who aim above
All the simple stuff never understood
Like right from bad and wrong from good
Deny That you were ever tempted by the
Lie That there's an answer in the
SkyMeasure by measure, drop by drop
And pound for pound, we're taking stock
Of all the treasure still unlocked
The love you found must never stopOh, oh oh, oh oh, oh oh, ohNever stop Never stop
Never stop Never stop
Never stop Never stop
Never stop Never stop Never stopMeasure by measure, drop by drop
And pound for pound, we're taking stock
Of all the treasure still unlocked
The love you found must neverMeasure by measure, drop by drop
And pound for pound, we're taking stock
Of all the treasure still unlocked
The love you found must never stop(Stop) Never stop
(Stop stop) Never stop (Stop)
Never stop (Stop stop)
Never stop (Stop stop stop)
Never stop (Stop stop stop)
Never stop
