

Empty Room

Arcade Fire

Said your name in an empty room
Said your name in an empty room
 Something I would never do
Said your name in an empty room
Said your name in an empty room
 Something I would never do
 I'm alone again
When I'm by myself I can be myself
And my life is coming but I don't know when
You were burning now you're black & grey
You were burning now you're black & grey
 Something I would never say
 I'm alone again
When I'm by myself I can be myself
And my life is coming but I don't know when
 Toute ma vie est avec toi
 Toute ma vie est avec toi
 Moi j'attends, toi tu pars
 Toute ma vie est avec toi
 Toute ma vie est avec toi
 Moi j'attends, toi tu pars
