

# We Never Change

[Coldplay](#)

I wanna live life and never be cruel  
And I wanna live life and be good to you  
And I wanna fly and never come down  
And live my life and have friends around  
We never change, do we? No, no  
We never learn, do we?  
So I wanna live in a wooden house  
I wanna live life and always be true  
And I wanna live life and be good to you  
And I wanna fly and never come down  
And live my life and have friends around  
We never change, do we? No, no  
We never learn, do we?  
So I wanna live in a wooden house  
Where making more friends would be easy  
Oh, and I don't have a soul to save  
Yes and I sin every single day  
We never change, do we?  
We never learn, do we?  
So I wanna live in a wooden house  
Where making more friends would be easy  
I wanna live where the sun comes out
