Radiation Day

Monster Magnet

Corporation Bigwigs
A keep us alive boy
You can try to run
But baby you can't hide
Go ahead and you jerk off
Your bitches with a SamsungModern life is eating you aliveSo keep a blast of love and napalm
Rollin' trough your head
Watch the tube enough to freak you,
Before you go to bed
I never had the nerve to love you
I couldn't find my way
But now I've got the chops to nail you
On radiation dayCome on out and play
Ain't no time to wasteThey got a pill that'll guarantee
You a hard one
They got a box where you
Can always play
So don't strain your Brain now
Brother, your mammy's back in town
Just drink her milk and it'll be o.k.So keep a blast of love and napalm
Rollin' trough your head
Watch the tube enough to freak you,
Before you go to bed
I never had the nerve to love you
I couldn't find my way
But now I've got the chops to nail you
On radiation dayCome on out and play
Ain't no time to waste
Give yourself away
Radiation day
