Yeah Man, US
Red One, Haha, We get it in
You Know, You Know You're cravin' it, It's clear
I'm a fanatic
Girl, I'll take you there
And then, up so damn hot
Till' you come back down again
Again, yeah, yeah, steady motion,
that you experience
Better come well prepared for this ride, yeah You know you wanna feel my love,
Girl, You Know I got it (got it)
Did I make you feel right,
Girl You know I got it (got it)
Banging off these walls,
You feel me, I'm so excited
Vibrations with your body,
Is a lifetime performance
I've got it Shorty, get ready for me, lay up on my king size bed
Let me rock ya, let me rock ya, like a rock, rock band
Shorty, get ready for me, lay up on my king size bed
Let me rock ya, let me rock ya, like a rock, rock band I'mma be Jimmy on the guitar
I'mma be Jagger on the mic
Tommy on the drums,
Beat it down, beat it down, down (shorty)
I know you need it, your body's screaming
Beat it, beat it, down, down
Up to my bedroom, I'm about to beat it,
Beat it, beat it, down, down Let me see it all over your face,
No games, I ain't playin'
Girl I'll go with it,
To dial, pleasing, let you breathe
Got heavy metal, I'm stringing,
Can't deny it, I'll kill it girl,
You better be well prepared for this ride You know you wanna feel my love,
Girl, You know I got it (got it)
