

# Doesn't Really Matter (Jonathan Peters club mix)

## Janet Jackson

Doesn't matter... Doesn't matter...  
Doesn't matter at all Doesn't matter what your friends tell you  
Doesn't matter what my family's saying too  
It just matters that I'm in love with you  
It only matters that you love me too.  
It doesn't matter if they won't accept you  
I'm accepting of you and the things that you do Just as long as it's you.  
Nobody but you  
Baby, baby, baby  
My love! For you! Unconditional love too!  
Gotta get up, get up, get up, get up, get up and show you that it... Doesn't really matter what the eye is seeing  
Cause I'm in love with the with the inner being  
Doesn't really matter what they believe  
What matters to me is your love for me. Doesn't really matter what the eye is seeing  
Cause I'm in love with the inner being  
Doesn't really matter what they believe  
What matters to me is your nutty, nutty, nutty for me. You're so kind  
Just what I asked for, you're so loving and kind  
And you're mine  
And I can't believe your mine. Doesn't matter if your feeling insecure  
Doesn't matter if your feeling so unsure  
Cause I'll take away the doubt within your heart  
And show that my love will never hurt or harm  
Doesn't matter with the pain we've gone through  
Doesn't matter if the money's gone too Just as long as I'm with you  
Nobody but you  
Baby, baby, baby  
Your love! For me! Unconditional I see!  
Gotta get up, get up, get up, get up, get up and show you that it... Doesn't really matter what the eye is seeing  
Cause I'm in love with the inner being  
Doesn't really matter what they believe  
What matters to me is your love for me. Doesn't really matter what the eye is seeing  
Cause I'm in love with the inner being  
Doesn't really matter what they believe  
What matters to me is your nutty, nutty, nutty for me. You're so kind  
Just what I asked for, your so loving and kind  
And your mine  
And I can't believe your mine. Doesn't matter what they say  
Cause you know I'm going to love you anyway

Doesn't matter what they do  
Cause my love will always be with you  
My love! For you! Unconditional love too!  
Gotta get up, get up, get up, get up, get up and show you that  
My love! Is true! And it's! Just for you! Doesn't really matter what the eye is seeing  
Cause I'm in love with the inner being  
Doesn't really matter what they believe  
What matters to me is your love for me. Doesn't really matter what the eye is seeing  
Cause I'm in love with the inner being  
Doesn't really matter what they believe  
What matters to me is your nutty, nutty, nutty for me. Nutty, nutty, nutty my love for you  
I can't believe my dreams come true  
I finally found somebody who's heart is true  
And best of all you love me too! Nutty, nutty, nutty my love for you  
I can't believe my dreams come true  
I finally found somebody who's heart is true  
And best of all you nutty, nutty, nutty for me! Whoa oh-oh Whoa oh-oh Nutty, nutty, nutty my love for you  
I can't believe my dreams come true  
I finally found somebody who's heart is true  
And best of all you nutty, nutty, nutty for me! Nutty, nutty, nutty my love for you  
I'm always doing that!  
I can't believe my dreams come true  
I finally found somebody who's heart is true  
And best of all you nutty, nutty, nutty for me!
