

You've Changed

Jackson 5

Hoo, hoo, hoo, hoo, hoo
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah I remember when you was a little girl
I say you never ever ever wore curls
You wore nothing but an old shaggy, shaggy dress
I say you never ever try to look your best Now when I look at you
All my love come a'running through
You've changed and it's showing
My love for you is growing
You've changed and it's showing
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah You legs were little
But now they are big
Instead of wearing a pony tail
You wear a little red wig Your eyes are pretty
You got some kissable lips
And I love the way you walk
The way you sway your little hips Now when I look at you
All my love come a'running through
You've changed and it's showing
My love for you is growing
You've changed and it's showing, hoo hoo
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah Your walk
Ooh baby, I love the way you walk, yeah
Your talk
Ooh, the way you speak to me Your look
Ooh, my heart is shook
Your eyes
Ooh, baby hypnotize Now when I look at you
All my love come a'running through
You've changed and it's showing
My love for you is growing
You've changed and it's showing
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah Your walk
Ooh baby, I love the way you walk
Your talk
You talk, you talk, oh now Your look
Ooh, my heart is shook
Your eyes
Ooh, now you hypnotize Your walk
Ooh, you're talking

Your talk
