

Mind Sex

dead prez

It's time for some mind sex, we ain't got to take our clothes off yet

We can burn the incense, and just chat

Relax, I got the good vibrations

Before we make love let's have a good conversationPardon me love but you seem like my type

What you doin tonight? you should stop by the site

We could, roll some weed play some records and talk

I got a fly spot downtown Brooklyn, New York

Now I know you think I want to fuck, no doubt

but tonight we'll try a different route, how bout we start

With a salad, a fresh bed of lettuce with croutons

Later we can play a game of chess on the futon

See i ain't got to get in your blouse

It's your eye contact, that be getting me aroused

When you show me your mind, it make me want to show you mines

Reflecting my light, when it shines, just takin our time

Before the night's through, we could get physical too

I ain't tryin to say I don't want to fuck, cause I do

But for me boo, makin love is just as much mental

I like to know what I'm gettin intoWe could have mind sex, we ain't got to take our clothes off yet

We can burn the incense, and just chat

Relax, I got the good vibrations

Before we make love let's have a good conversationIt's time for some mind sex, we ain't got to take our clothes off yet

We can burn the incense, and just chat

Relax, I got the good vibrations

Before we make love let's have a good conversation

Time for some mind sex...Before we make loveYeah, what you know about mind sex?Before we make

loveAfrican princess, tell me yo' interests

Wait, let me guess boo, you probably like poetry

Here's a little something I jotted down in case I spotted you around

So let me take this opportunity

Would you share a moment with me, over herbal tea?

Take a walk verbally, make a bond certainly

'cause in my hand I bet your hand fit perfectly

And it's like we floatin out in space when you flirtin wit me

c'mon, a little foreplay don't hurt (hmmm)

Imagine my chest under this shirt, your ass under your skirt

It's like walking the hot sands and finding an oasis

Opposites attract that's the basis

Our sex is the wind that separates the yin from the yang

The balance that means complete change, our aim

Is to touch you in a delicate spot

And once we get it started I ain't trying to stopBut first we have mind sex, we ain't got to take our clothes off yet

We can burn the incense, and just chat

Relax, I got the good vibrations

Before we make love let's have a good conversationIt's time for some mind sex, we ain't got to take our clothes off yet

We can burn the incense, and just chat

Relax, I got the good vibrations

Before we make love let's have a good conversation

Mind sex
