All

Avalon

I've had a world of possibilities slip through my hands
And prayers that went unanswered that I couldn't understand
There's a faith that can move mountains but I never let it move me
I only trusted things that I could see
So much frustration and trying it alone
I've had the revelation I can't make it on my own
Deep in my heart, deep in my soul
There was always somethin' missin'
Now You got my full attention
I give You my life, surrender control
Oh I finally learned to listen to the call
I give You my all
I give You my all, yeah
There are moments in the journey where I wonder where You are
(Where You are)
And sometimes I forget that You live inside my heart
(Live in my heart)
It's there I hear You whisper "I've been here all along"
(Here all along)
And I'm in the hands of mercy where I belong
A silent conversation when You speak to me
(You speak to me)
Is the sweetest inspiration and all I'll ever need yeah
(Oh)
Deep in my heart, deep in my soul
There was always somethin' missin'
Now You got my full attention
I give You my life, surrender control
Oh I finally learned to listen to the call
I give You my all
Lord I give You my all, yeah
Every single day of my life I live
Every little thing that I have to give
Lord I freely give it, Lord I freely give it
Every single day of my life I live
Every little thing that I have to give
Lord I freely give it, Lord I freely give it all
Deep in my heart, deep in my soul
There was always somethin' missin'

Now You got my full attention
(Deep in my soul)
I give You my life, surrender control
(Lord I give up control)
O I finally learned to listen to the call
I give You my all
Deep in my heart, deep in my soul
Deep in my heart, deep in my soul
There was always somethin' missin'
Now You got my full attention
(Deep in my soul)
I give You my life, surrender control
Oh I finally learned to listen to the call
I give You my all
I give You my all
I give You my all
I give You my everything all my life I surrender
