

# You Can't Lose What You Ain't Never Had

## Muddy Waters

Once I had a pretty little girl  
I lose my baby, ain't that sad?  
Oh, you know, once I had a pretty little girl  
I lose my baby, ain't that sad?  
Well, you know, you can't spend what you ain't got  
You can't lose what you ain't never had I had money in the bank  
I got busted, boys, ain't that sad?  
Oh, you know, I had some money in the bank  
I got busted, baby, ain't that bad?  
Well, you know, you can't spend what you ain't got  
You can't lose what you ain't never had I had a sweet little home  
It got burned down, boys, ain't that bad?  
Oh, you know, was my own fault  
People, they just said  
Well, you know, you can't spend what you ain't got  
You can't lose what you ain't never had
