

Cautioners

Jimmy Eat World

The time I would spend with pictures I would not send
I watched you go from left to right
I follow you all night across my blinds
I'm making my peace
Making it with distance
Maybe that's a big mistake
You know I'm thinking of you
I miss you You'll change your mind come Monday and
Turn your back on me
Take your steps away with hesitance
Take your steps away from me
