

# Dig

## Incubus

We all have a weakness  
Some of ours are easier to identify  
Look me in the eye And ask for forgiveness  
We'll make a pact to never speak  
That word again, yes, you are my friend We all have something that digs at us  
At least we dig each other So when weakness turns my ego up  
I know you'll count on the me from yesterday If I turn into another  
Dig me up from under what is covering  
The better part of me Sing this song  
Remind me that we'll always have each other  
When everything else is gone We all have a sickness  
That cleverly attaches and multiplies  
No matter how we try We all have someone that digs at us  
At least we dig each other So when sickness turns my ego up  
I know you'll act as a clever medicine If I turn into another  
Dig me up from under what is covering  
The better part of me Sing this song  
Remind me that we'll always have each other  
When everything else is gone  
Oh, each other when everything else is gone If I turn into another  
Dig me up from under what is covering  
The better part of me Sing this song  
Remind me that we'll always have each other  
When everything else is gone  
Oh, each other, sing this song, when everything else is gone  
Oh, each other, when everything else is gone
