

# We Love the Dead

## Electric Wizard

I creep amongst the graves and crypts  
I love the dead, the living make me sick  
Profit & greed, bleeding the world dry  
You laugh at me but when you die  
You will be mine We love the dead, dead eyes can't disguise  
We love the dead, no more lies....or deceit  
The living betrayed me I only trust the dead  
In your tomb now my vengeance spreads We Love The Dead  
We trust the dead  
We are the dead  
When will you die too? I'll leave black flowers on your grave
