

# We Give You All the Praise

## Regina Courtney

Verse 1:

Holy, Holy, Holy is our God  
Holy, Holy and we exalt your name forever

Righteous, Righteous, Righteous is our God  
Righteous, youâ€™re so Righteous  
and we bless Your name, and we bow before Your throne

Chorus:

Worthy to receive glory, honor blessings and power  
Holy Lord of Hosts, the whole earth is filled with Your glory  
Gracious in all of Your works, Righteous in all of your ways  
You are worthy of the glory and the honor  
We give You all the praise.

Verse 2:

Faithful, Faithful, Faithful is our God  
Faithful, Youâ€™ve been so Faithful, and we bless your name,  
and we bow before the throne

Chorus:

Worthy to receive glory, honor blessings and power  
Holy Lord of Hosts, the whole earth is filled with Your glory  
Gracious in all of Your works, Righteous in all of Your ways  
You are worthy of the glory and the honor  
We give You all the praise.

Bridge -

Lord you are worthy of all my praise  
Thank you for giving me another chance, thank you  
Holy, Redeemer, You saved my soul  
That is why the whole world sings

Chorus:

Worthy to receive glory, honor blessings and power  
Holy Lord of Hosts, the whole earth is filled with Your glory  
Gracious in all of Your works, Righteous in all of Your ways  
You are worthy of the glory and the honor  
We give You all the praise.

Vamp -  
Jesus our Savior, our Healer, Redeemer  
Wonderful Counselor, Great and Mighty  
King of Kings and Lord of Lords and  
Ruler of the universe  
You are worthy of the glory  
You are worthy of the honor  
For Your power  
We give you all the praise
