

Tonight (Re-Remix)

Ken Laszlo

We try to know it, take it just for tonight
Let your feeling ride all over the place
To make your joy, well, enjoy yourself
Don't give up the pleasure of tonight
Don't be so worried, baby
Everything is gonna be great
Why don't you try to know it
You don't have a thing to forget
Oh it will toll you
Oh, oh
We will see tonight
We got the pleasure in the right way
Oh, oh
You and me, better off
We're finally together
Oh, oh (tonight)
We will see tonight
We got the pleasure in the right way
Oh, oh (tonight)
You and me, better off
We're finally together
Stop to the movin' and just listen to me
Will be bad enough to lose your mind
Catch the moment, enjoy yourself
Try to touch it with the love in your eyes
Don't be so worried, baby
Everything is gonna be great
Why don't you try to know it
You don't have a thing to forget
Oh it will toll you
Oh, oh
We will see tonight
We got the pleasure in the right way
Oh, oh
You and me, better off
We're finally together
Oh, oh (tonight)
We will see tonight
We got the pleasure in the right way
Oh, oh (tonight)
You and me, better off
We're finally together
Oh, oh (tonight)
We will see tonight
We got the pleasure in the right way
Oh, oh (tonight)
You and me, better off

We're finally together
Oh, oh (tonight)
We will see tonight
We got the pleasure in the right way
Oh, oh (tonight)
You and me, better off
We're finally together
