

Ms. Dance

Ian Guerin

Mystifier, queen of the club
Life of the party
Master of love
Got all the bad boys, out of control
She got the good guys, played like boy toys

Got the dancin'™, got all the moves
(Can'™t take I got the hots)
Everyone'™s fallin'™ in for her groove
(Can'™t take)
Heartbeats & heartbreaks they will all do
(Can'™t take I got the hots)

Dance, she knows she'™s gonna take control
Dance, she knows she'™s gonna get your soul
Dance, she knows you'™re gonna fall in love
Dance, she knows you'™re the one with the funk

Music'™s the charmer, she is the charm
She'™s only wanting love woman to man
Strippin'™ her cloth off, part of the plan
She uses her look as the mastermind

Got the dancin'™, got all the moves
(Can'™t take I got the hots)
Everyone'™s fallin'™ in for her groove
(Can'™t take)
Heartbeats & heartbreaks they will all do
(Can'™t take I got the hots)

Dance, she knows she'™s gonna take control
Dance, she knows she'™s gonna get your soul
Dance, she knows you'™re gonna fall in love
Dance, she knows you'™re the one with the funk

Just when you think she got it all in
She makes you see, its make believe
Nothin'™s for real

Ms. Dance, she'™s the mystifier

(Ms. Danceâ€™s got that)
& the master minder, sheâ€™s knower & the known
(Ms. Danceâ€™s got that)
The victim & the soul, the lover & the love
(Ms. Danceâ€™s got that)
The soulless & the soul
The one that got you livinâ€™ in a dream & livinâ€™ in a fantasy
(Feel with your eyes)
No return, no more words
Sheâ€™s gone

(Feel with your eyes)

They will all doâ€™

Dance, she knows sheâ€™s gonna take control
Dance, she knows sheâ€™s gonna get your soul
Dance, she knows youâ€™re gonna fall in love
Dance, she knows youâ€™re the one with the funk

Dance, she knows sheâ€™s gonna take control
Dance, she knows sheâ€™s gonna get your soul
Dance, she knows youâ€™re gonna fall in love
Dance, she knows youâ€™re the one with the funk

Sheâ€™s gone...
